## Science for the Rest of Us

### *The Ins and Outs of Animal Research*

Please join us for our Science for the Rest of Us Series with Amy Robinson-Junker, MSc rLAT, Environmental Enrichment and Behavior Specialist, Laboratory Animal Resource Center at UCSF.

**DATE:** Friday, April 10, 2020 | **TIME:** 12:00 pm – 1:00 pm

**LOCATION:** Zoom/Virtual Presentation Only

<https://ucsf.zoom.us/j/900625261>

The UCSF Laboratory Animal Resource Center's (LARC) mission is to provide quality care for all animals used at the University of California, San Francisco. This presentation is intended to educate our members and to create an understanding of the animal research and care that occurs across UCSF. [Visit the AMP website for a presentation link and calendar reminder.](#)
